

HP Tri-fold Brochure Paper, Glossy

Overview

HP's new Tri-fold Color Laser Brochure Paper enables small to medium business customers to print high-quality marketing materials in-house. Perfect for professional documents like brochures, booklets and mailers, this heavyweight pre-scored paper allows for easy, precise folding with a clean edge. HP Tri-fold Color Laser Brochure Paper features HP's breakthrough, proprietary laser paper coating technology that gives completed projects a smooth and glossy finish with bold colors and crisp text.

Key features and benefits

- Create impressive, tri-fold brochures with outsourced quality right in the office
- Get vibrant color photos and crisp text on bright white paper
- Glossy, uniform two-sided coating gives documents a professional look
- Pre-scored for easy folding and a clean edge
- Print on both sides of the page, using a high-opacity paper designed to eliminate showthrough
- Optimized for HP Color LaserJet printers using HP ColorSphere toners
- Print projects in-house with easy-to-use marketing templates at www.hp.com/go/inhouse

Other technical specifications

- 44 lb/160 g/m²
