## HP 620/625 FHD Webcam

This Windows Hello compatible<sup>1</sup> webcam logs you in seamlessly and securely while Al-enhancements help you look good from the start. Effortlessly look your best wherever you find yourself with Full HD resolution, customization and automatic background adjustments.

## Say Hello to Looking Good

Looking Good Has Never Been Easier	Look good automatically with advanced AI features. Show up with confidence thanks to Zoom certification, FHD 1080p, auto framing, focus and backlight correction-and two background noise-reducing microphones.
Simply Secure	Log in seamlessly with Windows Hello <sup>1</sup> face authentication and control when you're live with the physical privacy cover and activity light.
You're in control	Stay in control of how you present yourself by customizing your Full HD webcam settings in HP Accessory Center <sup>2</sup> . Take control of the perfect angle with Al face framing, digital zoom, adjustable field of view, and specific image controls like brightness and more.
Full Adjustability	Easily capture the world around you with 360° swivel, 90° down tilt, and an adjustable field of view.
